Instructions for Completing Medical Report

1. In order to be reviewed, the form must be signed and dated by you and your medical provider.
2. Take this form to a physician licensed to practice medicine in the State of North Carolina or any state of the United States for completion. Your physician will only need to complete the appropriate part(s) of this form that pertain to your health.
3. Please mail the completed form to the Division of Motor Vehicles Medical Review Unit, 3112 Mail Service Center, Raleigh, NC 27697-3112.

This information is required to determine your ability to safely operate a motor vehicle. Failure to submit the required medical information within 30 days from the date of this letter, will result in cancellation or denial of your driving privilege. If additional time is needed you may contact this office for consideration.

Customer No. _____

Dear CUSTOMER:

It has become necessary for the Medical Review Unit of the Division of Motor Vehicles to review your ability to continue to safely operate a motor vehicle.

The enclosed Medical Report Form should be completed by your physician and returned for evaluation. It is important that the Medical Report Form be completed and returned to the Medical Review Section to avoid cancellation of your driving privilege. In order to be reviewed, the form must be SIGNED AND DATED BY YOU AND YOUR MEDICAL PROVIDER.

Please give this matter your immediate attention in order to expedite your medical evaluation. If you have questions, you may contact us at (919) 861-3809 between 8:00 a.m. and 5:00 p.m. Monday through Friday.

Sincerely,

Director of Processing Services

To Physician

When completing the Medical Report Form, please keep in mind the physical, mental, and emotional requirements necessary for the safe operation of a motor vehicle, for the patient and public welfare. Please answer all questions and applicable parts of PP. 2-7, which lists the review of conditions pertinent to driving. If you circle "Yes" for any of these conditions, you should address all the questions pertaining on the proceeding pages. You do not need to answer questions on the form for which you circled "No". Upon completion of this form please make an overall statement about your patient's medical condition and its potential effect on safe driving.
